Front-end web with
HTML and CSS

Education

BFA Art and Design: Graphic Design

Cal Poly, San Luis Obispo, Fall 2015–Spring 2020

Summa cum laude with Honors and a minor in Environmental Studies. I was named Art & Design's *Outstanding Senior for the College of Liberal Arts* as well as a *2020 Outstanding Senior* in the Honors Program.

Work

UX Designer

Cisco, July 2021–Present

I'm working with the Cloud Networking UX Team to design products that help people, businesses, and governments around the world connect.

Product Designer

Freelance and Contract; Five Acres Agency (June 2020–Present)

I've worked with part-time clients for over ten years as a freelancer, and have been a design contractor at Five Acres since June 2020.

Media and Marketing Intern

Cal Poly New Student & Transition Programs, 2017–October 2020

I designed print and digital campaigns and collateral seen by thousands, took photos and videos at events, and maintained the program website.

Writing Assistant

Cal Poly University Honors Program, 2017–October 2020

I wrote for, edited and designed Honors publications and print collateral, including our two-time national award-winning newsletter.

Experience

AIGA Cal Poly President

AIGA Cal Poly Student Group, 2018–2019

I oversaw our officer board and worked with a team to plan talks, events, workshops, and studio tours. I also served on AIGA Central Coast's board.

First Place, Adobe Creative Jam

Adobe x IBM Creative Jam, September 2019

I was one of five members of the first-place team that co-designed Loop, an app that guides users towards forming more climate-friendly habits.
